

# 2013 SUMMER SPARTAN BASEBALL

## Parent Agreement

Hosting tournaments and concession sales has allowed Spartan Baseball to minimize fundraising activities such as can drives, magazine sales, and other all-day activities that produced fairly small revenue. A weekend tournament can produce over two thousand dollars in revenue with parent volunteers working one 2 game shift.

**In order for all parents to enjoy watching our young men play, Spartan Baseball is requesting each family sign up and commit to work the following:**

- **The John Nero Tournament (OIBA Families)**
- **Futures Tournament (Futures Families)**
- **14U Tournament (OIBA & Futures Families)**
- **One time in the concession stand during regular home games for which your son plays.**

The scheduled tournaments are:

**14 U Youth Tournament  
June 2-June 3** Futures Parent volunteers needed for concessions/BBQ and ticket booth.  
Futures players to do- field prep, foul balls.

**John Nero Tournament  
June 27-July 2** OIBA Parent volunteers needed for concessions/BBQ and ticket booth.  
OIBA players are responsible for field prep and foul balls.

**Futures Tournament  
July 5-7** Futures Parent volunteers needed for concessions/BBQ and ticket booth.  
Futures players are responsible for field prep and foul balls.

Concessions sign-ups will be completed when the final rosters are completed. If the game you are signed up for is rained out, you are responsible for concessions during the make-up game. We will be sending out phone lists as soon as teams are finalized.

Tournament proceeds, in conjunction with signboard sales, has brought Spartan Baseball the extra revenue needed to improve the playing fields and facility, buy equipment, purchase new uniforms, pay coaches, pay for insurance and help to reduce players' travel costs. Please show your support by giving your time to these activities.

**As a parent of a Spartan Baseball player, I agree to volunteer in the concession stand as well as to help out at tournaments. I understand that the \$300 fee for this season covers baseball supplies, tournaments, umpires, insurance and coaches' costs for the season and can be offset by the selling of fence signs and from February Orange Sales. The fee is due by June 7th, 2013. The check to be made out to Spartan Baseball and given to your respective head coach or you can use a credit card to pay on our Website. To set up a payment plan, contact our Treasurer, Debbie Solders at [solders@frontier.com](mailto:solders@frontier.com).**
